Inter-City Drive-In owned this drive-in, which had space for 425 cars.

In 2005 Premier took this drive-in over, they plan to add 2 additional screens.

From the Drive-In GiRL:

The Starlite Drive-in is located in Stoney Creek. It has what must be Canada's largest screen! It is Cinemas scope, meaning it curves, it is an extremely beautiful screen. The owner and other staff members speak to patrons through their car radio offering all the mouth-watering refreshments their "Snackateria" has to offer. The staff is very friendly and like Premier, the owner of this drive-in really cares about his theatre, he has done such a wonderful job of keeping it so wonderful! It's heart-warming to know there are people who care about drive-in theatres. Starlite is an extremely beautiful drive-in theatre! It is also the center of attention in a music video by Shaye! The song is Happy Baby. In the video you see constant closeups of the amazing screen, there are moments when your point of view is looking through the concession's window at the screen, and they also stand on top of the snack bar singing. So amazing! I am very proud of Starlite and we should all be proud to have drive-ins like Starlite and 5!
